

Impression Print

Zon 1 Zon 2 Zon 3

Impression Print is ideal for printing logos, illustrations and photos. There are 56 colours to choose from on the colour scale. The mat is printed using HD technology, which provides very fine detail and creates photo-quality prints. An effective and durable combination mat that takes care of dirt and moisture, the structured surface provides a scratch function. The top side consists of 85% recycled PET and the mat has a durable rubber backing.
